By Raymond M. Smullyan : Alice in Puzzle-Land: A Carrollian Tale for Children Under Eighty (Dover Recreational Math) Alice in Puzzle-Land: A Carrollian Tale for Children Under Eighty (Dover Recreational Math):

5 of 5 review helpful A hit with my grandson By Mike Byrne I bought this Alice in Puzzle Land book as a gift for my grandson My daughter usually reads stories to him at bedtime and I was not sure how my grandson would react to the puzzles Zac loves the puzzles Given the choice between a book and the puzzle book Zac chooses the puzzle book every time My daughter likes it too I guess I ll be buying more of Smullyan A charming and challenging adventure
mdash Wordplay the Crossword Blog of The New York Times About the Author Raymond Smullyan received his PhD from Princeton University and taught at Dartmouth Princeton Indiana University and New York s Lehman College Best known for his mathematical and creative logic puzzles and games he was also a conc
