# Adjoint Equations and Perturbation Algorithms in Nonlinear Problems

By Guri I. Marchuk, Valeri I. Agoshkov, Victor P. Shutyaev
DOC | *audiobook | ebooks | Download PDF | ePub

| #6814892 in Books | CRC Press | 1996-05-07 | Original language: English | PDF # 1 | 9.21 x .69 x 6.14l, 1.32 | File type: PDF | 288 pages
| | File size: 28.Mb

By Guri I. Marchuk, Valeri I. Agoshkov, Victor P. Shutyaev : Adjoint Equations and Perturbation Algorithms in Nonlinear Problems mechanical and aerospace engineering mae undergraduate program graduate program faculty all courses faculty listings and curricular and degree faculty research interests lszl babai i work in the fields of theoretical computer science and discrete mathematics; more specifically in computational Adjoint Equations and Perturbation Algorithms in Nonlinear Problems:

Sparked by demands inherent to the mathematical study of pollution intensive industry global warming and the biosphere Adjoint Equations and Perturbation Algorithms in Nonlinear Problems is the first book ever to systematically present the theory of adjoint equations for nonlinear problems as well as their application to perturbation algorithms This new approach facilitates analysis of observational data the application of adjoint equations to retrospective study Language Notes Text English translation Original Language Russian From the Back Cover The material in this book is illustrated both with simple examples and with more complex results of numerical experiments So the au
