By Paul Attewell, David Lavin, Thurston Domina, Tania Levey : Passing the Torch: Does Higher Education for the Disadvantaged Pay Off Across the Generations? (Amer Sociological Association's Rose Ser)

Passing the Torch: Does Higher Education for the Disadvantaged Pay Off Across the Generations? (American Sociological Association's Rose Series):

7 of 7 review helpful Broad Scope without Losing Depth By MG It is often difficult to find studies that offer a longitudinal look at education and its impact on families Not only do the authors look across generations of families to determine how higher education increases life chances but they support conclusions from their own dataset against a national dataset Equally impressive was the division by race the focus o About the Author PAUL ATTEWELL and DAVID LAVIN are professors of sociology in the Graduate Center at the City University of New York A Volume in the American Sociological Association s Rose Series in Sociology
