By I. J. Schuitema, H. van Herwijnen : Calculating on Slide Rule and Disc we would like to show you a description here but the site wont allow us overview o cms overview o cms 2014 hopdasc final rule summary o final rule impact on epifix billing and reimbursement in 2014 o mimedx hotline and Calculating on Slide Rule and Disc:

29 of 29 review helpful NOT WORTH THE MONEY By STEPHEN B RHODES I purchased this in June 2006 The software on the CD for viewing the jpg files is worthless The documents included on the CD are in German with no translation The book consists of a very detailed history of mostly german or dutch slide rule makers Makers of very

specialized rules I did not find any discussion of makers of standard rules or methods for pro Author IJzebrand Schuitema owns one of the largest slide rule collections in the world In the course of his collecting he came upon rules that were unknown to him and that excited his curiosity This book is a compilation of the articles he wrote about these wonderful slide rules each one made for a specific and unique use and about the men who designed and manufactured them There is the slide rule that computes road curvature one that calculates for sewerage appli
