By Olivier Le Maitre, Omar M Knio : Spectral Methods for Uncertainty Quantification: With Applications to Computational Fluid Dynamics (Scientific Computation) scientific conference calendar of conferences and meetings on applied mathematics in general ce 201 earth materials and processes 2 3 4 earth materials structure of solid earth rock cycle common rock forming minerals types of rocks and its Spectral Methods for Uncertainty Quantification: With Applications to Computational Fluid Dynamics (Scientific Computation):

This book deals with the application of spectral methods to problems of uncertainty propagation and quantification in model based computations It specially focuses on computational and algorithmic features of these methods which are most useful in dealing with models based on partial differential equations with special attention to models arising in simulations of fluid flows Implementations are illustrated through applications to elementary problems as well as more e
